Re: My Notice of intention to Commence small mining operation, dated April 3, 2011.

Dear Sir:

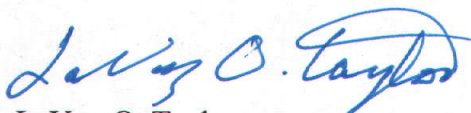

I, am enclosing a amended "Exhibit A-Page 2," to the prior application I sent you on April 3, 2011. Which is a amended description for the start of the North Eden Stone Mine.

I am doing this because I need to be able to take some of the Sandstone that is red in color and also some that is more of a white or orange color stone that lies on the easterly part of the proposed mine.

If you need me to do any thing else please let me know.

Thank you for your consideration and help in this matter.

Yours Truly,

  
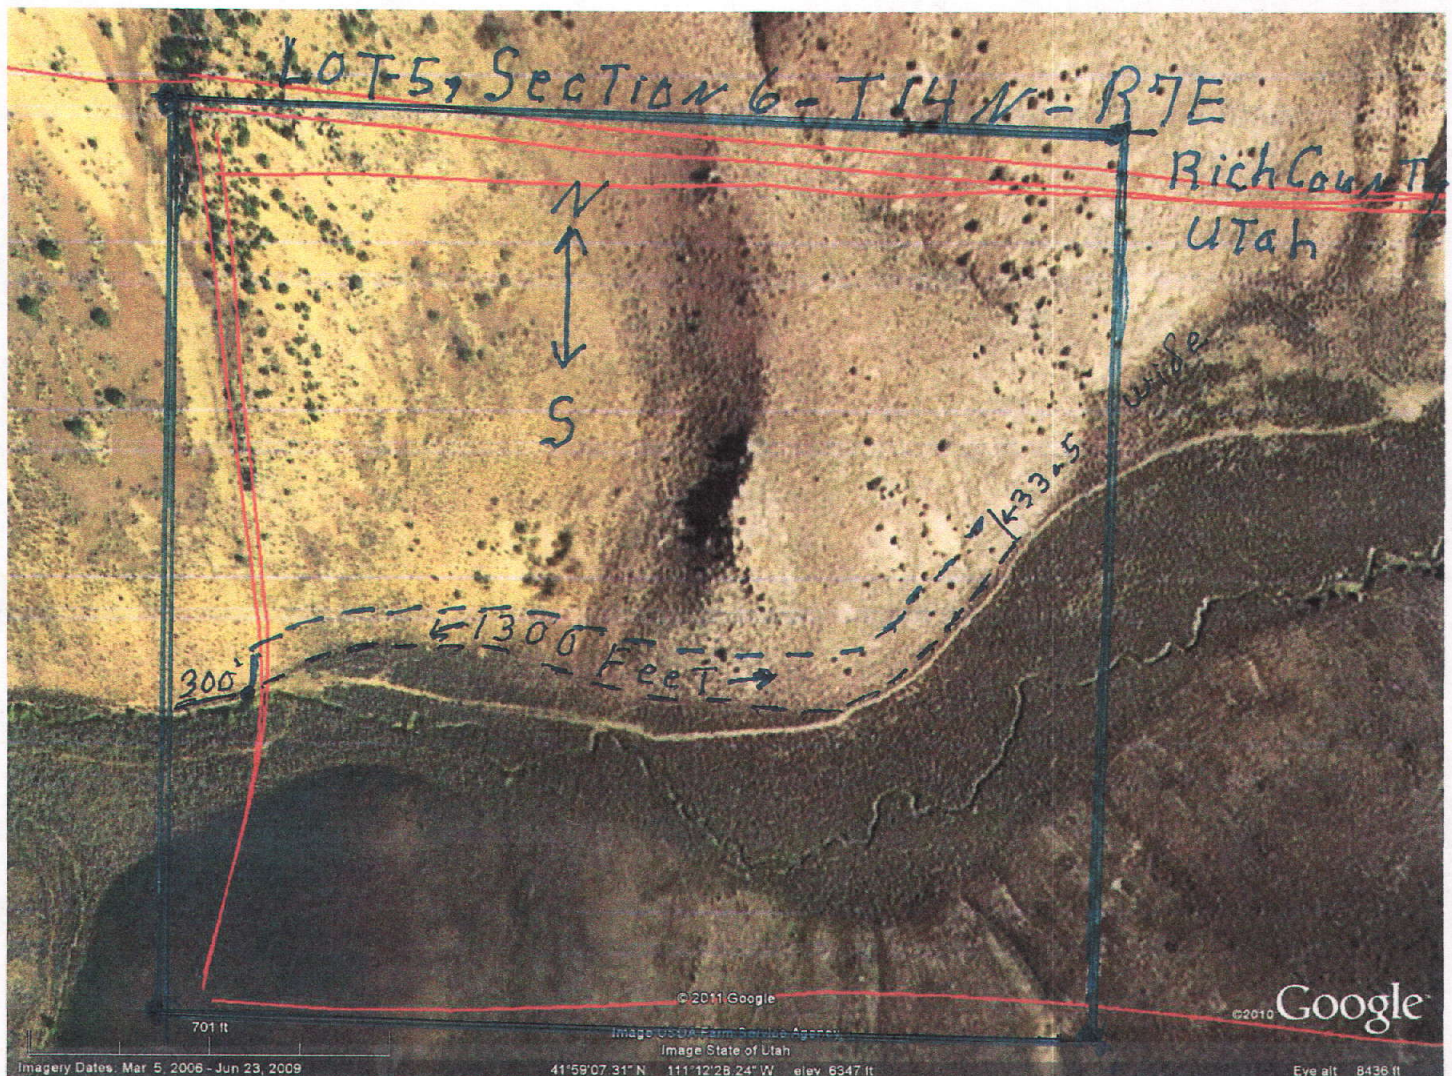

LaVoy O. Taylor
